

# CONTINUE TO SERVE

Following the Prime Minister's announcement regarding the restricted movement order, the mall will remain accessible to the public in order to provide essential services to the community, such as pharmacies, supermarkets, F&B stores with delivery and takeaway services (no dine-in), bakeries, convenience stores, optical stores, money changers, banks, ATMs and other essential services from 18 - 31 March 2020.

We encourage all our shoppers to take care and stay safe.
